

## **MYP COMMUNITY PROJECT ACADEMIC HONESTY FORM**

What is Academic Honesty? It is a set of values and skills that promote personal integrity. When it comes to the Community Project, plagiarism is the main concern for academic honesty. Plagiarism means to steal and pass off the ideas or words of another, as one's own. The act of plagiarism can include, but isn't limited to, written work, photos, art, music, etc. Refer to the complete WT Eich Academic Honesty Policy in your student planner for specific examples.
